North East Bus Preservation Trust Ltd

Whilst members are free to make donations towards the restoration of any of our vehicles, they should be aware that some restorations are long term and expensive projects which are unlikely to proceed in the immediate future.

The Trustees have determined that our immediate aims are the completion of work on Sunderland Guy 139 and Darlington Guy PHN 699.

The Trust has obtained grant funding to restore Newcastle Atlantean 118 and Sunderland Crossley 100. The grants do not cover all the costs involved, and the Trust still needs additional support to complete these projects.
